Dear Joe:

Enclosed is a copy my letter dated September 7 which I had sent to the ACRE P.O. Box in Brewster which has not been signed for to date. Since I had posted this letter for the membership to read and which you had probably seen a copy of I guess that maybe you are avoiding the P.O. Box. If you are consider yourself notified. If the mail is just slow then disregard this letter. Either way I have not heard back from you concerning this information request. I feel that it is very important that I receive this information before election time.

Sincerely,

James W. Ekberg

To all members of the ACRE. Since I posted my letter of September 7 and our union officials have seen its contents they have resorted to a new tactic to suppress our guaranteed rights under our ACRE Constitution. They just refuse to pick up the mail when they are informed bad news is coming. Why would our Secretary / Treasurer not pick up union mail on a regular basis from our P.O. Box? I had the U.S. Post Office check on the status of this letter and as of Friday, September 20th, it was still sitting in the ACRE P.O. Box. When Mike Doyle meet me at the block on August 29th and we had our little chat, he guaranteed to me that from now on all the minutes of the ACRE meetings would be posted for all members to see and read. Where are the minutes from the ACRE meeting which was held on September 9th? Mike, are you not a man of your word? Or should we just expect this type of ACRE censorship to continue as usual?

Tired of the ACRE Lies,

James W. Ekberg
