Joe Lindenberg
Secretary / Treasurer
ACRE Local Division 9
420 Lexington Avenue
Suite 215
New York, NY 10017

Dear Joe:

I recently spoke to Mike Maxwell concerning my request for copies of the ACRE minutes of our monthly meetings. He agreed this request is guaranteed by our ACRE Constitution under the Members Bill of Rights and must be honored. He feels some misunderstanding has occurred with the correspondence between us and Mike Doyle, and is the reason why the ACRE has not complied with my request.

Joe as Secretary / Treasurer for ACRE Local Division 9, please forward to me copies of the minutes from the ACRE Local 9 monthly meetings for the months of March, April, May and June of 2000. If there is some problem or misunderstanding with this request, please contact me with the details so that we may work out a solution.

I thank you for your time and efforts.

Sincerely,

James W. Ekberg
