Message To Employees Engaged in CONN-DOT/SHORELINE EAST COMMUTER SERVICE

Potential Cessation of Service and Abolishment of Positions

- RESCINDED -

Dear Fellow Employees:

I am happy to announce that an agreement was reached with the State of Connecticut, extending our current contract to provide *Shore Line East Commuter Service* through June 30, 2007.

Please be advised, that the abolishment notice referenced in my memorandum dated April 7, 2006 has been withdrawn and normal service will be provided to the State of Connecticut and our *Shore Line East Commuter Service* passengers.
