

\$\$\$ - GREED A.C.R.E.S - \$\$\$

(sung to the tune of "Green Acres" TV show)

Greed Acres is the place for youse
Fork over them union dues
Graft spreading out so far and wide
Roll the dice and let your future ride

B - L - E 's the place for me
I like my senior-i-ty
Why not leave things as they are?
I've gotten used to having a house and car

Wonder where all the money's spent?
High salaries and New York rent
Better start saving up for their bail
This scam will only land them in jail.
