Dear Mr.

It was good to speak with you a couple of weeks ago. Pursuant to our conversation and your follow-up letter, I spoke with staff about the MTA defined pension plan. I can best describe it in the negative – the MTA defined pension plan is not a State plan.

As for your earlier set of questions, we are having difficulty locating the original letter. I apologize. If you could, please forward the letter again and will get those answers. If you have any additional questions, please do not hesitate and call me.

Best wishes,

Jim Malatras
Legislative Director
